

Members-Only Website

At the Convention last week, we introduced a new members-only website for The Fraternal Order of Eagles. We are now working to spread the word across the jurisdiction, and encourage you to help us get all members registered. Our goal is to be able to share more information and useful tools with all members in a more secured setting. This document describes how to access the site. You must be a member in good standing to register. Because the site is tied directly to MMS, if a member is dropped, he/she will no longer have access. We are simply ensuring that the people visiting are actually members.

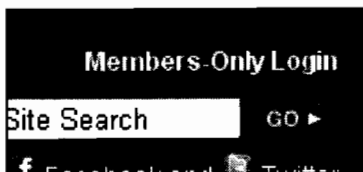

PLEASE NOTE the following important points. There will be no need for members to learn a new web address. The login link for the members-only area is located on the top right corner of our current home page, www.foe.com. Content on foe.com will not be removed at this time. We are working to support this change by taking carefully planned steps. We will begin to delete content up front on Aug. 15, but will start with the least visited items first. A temporary link will be in place of removed content to direct our members to the new area. In the end, the "front end" of foe.com will offer just general information for those interested in our organization (a public marketing presence). All member tools and information will be slowly relocated to the members-only area by the end of this year.

In addition to sharing with your members, please feel free to offer feedback to us. Our goal in design was to make it easier for you to locate the information you need. If you find something difficult, or something doesn't make sense, please share. Your input is valuable!

For any help with registration, logging in, or any web related matter, please contact us at: websupport@foe.com We are ready to answer your questions and assist you in this transition.

Urgent

MMS is a critical part of communication within the FOE. Please be sure to keep MMS up-to-date with active e-mail addresses, phone numbers and mailing addresses.

Don't be left out of the loop. Update now!

Operation Eagle Nominations Now Accepted

Among our many programs is Operation Eagle, through which we deliver needed goods to active military members during the holiday season. July is Operation Eagle Nomination month and we encourage all of our Aeries and Auxiliaries to nominate Eagles or immediately family of Eagles who are currently serving the United States or Canada to be recipients for the 2011 Operation Eagle Program. Each year The Fraternal Order of Eagles donates thousands of pounds of goods to troops overseas. The program has been met with great appreciation from many soldiers currently serving and we hope to make this year's shipment even bigger! Nomination forms can be found online or you may contact us: marketing@foe.com. Recipients will be announced at a later date, and then we will make a call for your donations. Please share your nomination with us by July 31.
