initiatives to help those less fortunate this holiday season.

THE #3765 EAGLE RIDERS ROCK THE CHARITY SCENE!!!

On September 11th,
2011 F.O.E. #3765 Eagle
Riders hosted their first
big charity event with tre-

mendous results. Armed with the knowledge of a local high school losing several of their graduates to the greatest cause of all, our freedom, the newly formed #3765 Eagle Riders along with local Legion Riders, struck out to make a difference. The school, Exeter High School...the namesake of the event, lost soldier Nicholas Bernier. The 92-mile Bernier Scholarship Ride was as moving as it was fruitful, yielding over \$1200 to help fund the scholarship. The Bernier family was in attendance at Exeter High School to help us honor their lost loved one in a touching ceremony that clearly moved us all. Additional lost soldiers, graduates of Exeter High School, were also named during the ceremony including Sergeant Andrew Nicol, Major Brian Mescall, Senior Petty Officer Daniel Healy, and Private First Class Andrew Stevens. A compilation video of the event will continue to be available through the Aerie for \$10 with 50% of all proceeds to benefit the Bernier Scholarship.

It is the hope of the #3765 Eagle Riders to continue with this momentum for many years to come. Even the winter months will now hold possibilities for the group since it now will encompass snowmobiles. Visit us on Facebook (Canaan Eagles) or our website FOE3765.ORG for event information, calendars, additional pictures and videos of this and other events. **This event was also featured in the F.O.E. Grand Aerie e-mail newsletter – People Helping People**
